WORK EXPERIENCE

Production Manager / Lead Engineer — *Gman Tavern*

Jun 2017 – Sept 2021

Communicated with performers and organizers to ensure a successful event from booking to completion.

Presser, Packager, Shipping — *Busy Beaver Button Company*

Aug 2016 – Present

Detail oriented work assembling and shipping numerous large orders. Trained new employees in packaging and shipping.

Sound Assistant — *Ringling Bros. and Barnum and Bailey*

Oct 2007 – Nov 2008

Set up and ran sound for live band during shows. Responsibilities included truck pack organization and coordinating with local union workers.

PROJECTS

Sell It! — *User to User eCommerce Site* [Github](#) [Demo](#)

An eCommerce site specializing in audio equipment and instruments. Build a user interface employing React and Redux with TailwindCSS for styling and a Rails backend. Utilized sessions cookies to store encrypted user information client-side.

Movie Rental App — *Ruby on Rails* [Github](#) [Demo](#)

An app that allows users to securely log in, rent and return movies and add their own movies to the database. Implemented useContext for user and movie data for a centralized provider of state information.

Character Manager — *React* [Github](#) [Demo](#)

Developed to allow a user to create and manage levels of their D&D characters. Built a basic API with Sinatra and Active Record to support a React frontend.

CAREER OBJECTIVE

I am seeking a position where I can utilize my unique work experience. I am searching for a company that values diversity and works hard to develop a team of highly motivated people who work well together to achieve the goals set in front of them.
